

2/3 YEAR APPRENTICE

We are currently looking for a capable and enthusiastic Second or Third year apprentice to join our growing team. This a fantastic opportunity to join an inclusive workplace that provides experience in both domestic and commercial construction projects.

The successful applicant would need to be capable of working under supervision with other team members and have good organisational and people skills.

Current white card would also be required for any applicant along with the ability to commute to our factory in Warragul each day.

Please forward your resume to info@southernridge.com.au or at
